

Holiday Greening Resources

Helpful website ideas from Jean Ponzi

1) **MetaEfficient** is an eNewsletter that spotlights innovative and ecologically intelligent products of all kinds. I enjoyed looking through the list of Top 10 Green Toys – and at the end is a link to Green Decorating Ideas that's fun too.

2) Best website for holiday greening/simplification resources:
www.newdream.org – Center for a New American Dream

3) From the website of the **Missouri Botanical Garden's EarthWays Center** site at: <http://www.earthwayscenter.org/holiday.html> :
